

April 2017 - Mike's Towing and Collision Center

Mike's Towing and Collision Center, owned by Mike Tarzia, has been a long standing Danbury business. With the help of his wife, Joan and son, Matt, the Tarzia family has continued to provide high quality repairs and assistance to drivers for more than 25 years.

A stand out quality of Mike's Towing and Collision is not only that they give their customers the best possible service but also that they are constantly working to be at the forefront of technology in the industry, which is why they are designated as an I-Car Gold Class Professional facility.

Collision repairs can be a hassle but Mike's highly trained technicians make the process of returning your car to manufacturer's specifications as smooth as possible. A range of repair services are available from dent repair and glass replacement to state of the art paint systems and major body work. They also have a 24 hour towing service to transport a damaged vehicle to their shop and on-site rental cars available through Enterprise Rent-A-Car.

In addition to a long list of spectacular customer testimonials, Mike's Towing has an accreditation from the Better Business Bureau thanks to their focus on ensuring satisfaction with all their work. We are proud to have this company in Danbury!
