Two Steps Downtown Grille, located in the heart of our city, is one of the most well-known and buzzed about eateries in Downtown Danbury. The restaurant is located inside a transformed and historic firehouse right on the CityCenter Green, making it a convenient place for a great night out!

When it comes to food, Two Steps has a menu that can cater to the unique cravings you didn't even know you had. Because really, you never know when you are going to be in the mood for a lobster grilled cheese panini! Fun, creative dishes are limitless at Two Steps, but, if you are feeling a little less adventurous, grab the salads, sandwiches, and burgers you know you'll love. Just don't skip out on trying a few of the many appetizers that will be sure to excite your taste buds!

Love the food? Why not get a lesson! Two Steps offers cooking classes right in the restaurant and there are sessions multiple times throughout the year with the owner Tom Devine. These classes are an opportunity to learn a little something while enjoying some bonding time with friends and family.
