

8/3/16 - Winters Bros. Waste Systems

Do you ever think about what happens to all of the garbage and recyclables that people toss away every day? Most people don't know where their waste goes after it leaves their home or place of business. However, Winters Bros. Waste Systems knows exactly where your garbage goes and they are happy to take care of society's wastes and recyclables.

Winters Bros. has developed a solid reputation for delivering quality services. They provide waste collection, recycling, and dumpster rental services. Additionally Winters Bros. operates a waste drop off center, recycling operation and transfer station at its environmental complex on White Street in Danbury.

Winters Bros. has a long history of delivering outstanding service at a competitive price. The organization has grown to become one of the largest waste hauling and recycling companies in Connecticut. And their knowledge and management of the recycling business is unmatched.

"Over time, we have been able to grow our business through well-managed operations and a total commitment to customer service," said Joe Winters, Chairman and CEO of Winters Bros. Waste Systems. "Our people are absolutely the best. From drivers and helpers to dispatchers and customer service, we have an outstanding team."

Managing waste and recyclables is not easy. To be successful, operators must continually improve technology and transportation systems to efficiently manage waste and recyclable material. Each year Winters Bros. invests millions of dollars in new trucks and advanced recycling systems that aggressively process recyclables to increase recycling rates within the State. At the same time, the Company is diligent about compliance with all applicable local, state and Federal rules and regulations.

"We very proud of the partnerships we have forged with the good people of Danbury and other municipalities throughout Connecticut," said Kevin Nolan, Chief Operating Officer. "Municipalities understand that we listen to their needs and are able to create solutions that are right for their residents and their budgets."

Not only does Winters Bros. exceed their customers' highest expectations, they also support many community events and activities. Here in Danbury, Winters Bros. sponsors many local civic and charitable organizations that include Danbury Hospital, Danbury Lions Club, local volunteer fire departments, and many more. Most notably, Winters Bros. is the main sponsor for "Clean City Danbury Day." Winters Bros. provides the equipment, disposal and hauling services for the event. As a local company that is dedicated to making recycling and solid waste management simple and affordable, Winters Bros. has become the trusted source for customers who are seeking value and environmental stewardship for waste collection and recycling services.
